

WHAT IF...

- you have tickets from previous games that did not get used?
- you need extra tickets for a friend to join you on a Monday, Tuesday or Wednesday game?
- your business has six season seats, but you want the entire office of 30 to come out at the same time?

Unused Season Ticket Program

WHAT IS THE UNUSED SEASON TICKET PROGRAM?

Redeem any UNUSED season tickets from previous 2009 games for a \$6 LAWN ticket to any Monday, Tuesday or Wednesday games!

WHAT TICKETS ARE VALID TO PARTICIPATE?

Season Tickets, Grandstand Box Tickets and Suite Tickets

WHY WOULD I NEED MORE TICKETS IF I ALREADY HAVE SEASON SEATS?

- You can exchange one ticket to bring an extra person or exchange 30 tickets to bring a group!
- You can also donate your unused tickets to a community group or non-profit to redeem.

"The Unused Ticket Program system is great! Last season we exchanged our unused tickets so we could have a company-sponsored picnic for employees and their families. Being able to come out as a group was nice, and everyone had a great time!"

- Mark Dirks, Beacon Technologies

HOW TO REDEEM TICKETS

- ▶ Bring your **unused/unscanned** tickets from previous 2009 Hoppers games to the Box Office and simply redeem them for lawn tickets to any Monday, Tuesday or Wednesday game.
- ▶ Tickets can be upgraded to seats close to your seats for \$1, \$2 or \$3, based on availability.
- ▶ To avoid lines at game time, redeem your **unused** tickets in advance:
GAMEDAY • Hoppers Box Office from 12pm - 4pm
NON-GAMEDAY (Monday-Friday) • The Hoppers Yard from 10am - 4pm

It is very important that you keep track of which tickets you have and have not used!

- We cannot honor exchanges on tickets that have been scanned as used tickets.
Before exchanging the tickets, we will look up the ticket's history to verify that the ticket has not been used.

If you give your unused tickets to another person to redeem, PLEASE MAKE THEM AWARE of all policies and procedures concerning the Unused Ticket Program.
